### Tianjin Hatt Magnetic Material Co., Ltd. Receives ISO Registration

Tianjin, China, June 6, 2002. Tianjin Hatt Magnetic Material Co., Ltd., more commonly known as Hattmag, has received ISO 9001:2000 registration from Quality Certification Bureau, Inc. "This is a very important step for our organization," said General Manager Lianying Hu. "We take our responsibility to deliver quality products to our customers very seriously and ISO registration is essential to our effort." Registration attests that Hattmag's quality system meets the ISO requirements, mandatory for any company operating in the global economy.

Hattmag, your source for magnets, manufactures NdFeB and ferrite bonded magnets for customers worldwide. Please visit our web site for more information
